Shadow puppet performances

Last Thursday, our Year 10 Elective Indonesian students entertained 56 Year 6 students at Brunswick Primary. The students wrote and then performed their own traditional Indonesian shadow puppet plays called “wayang”. The puppet shows told stories about Finding Nemo, counting classroom objects and shopping for pets. The Indonesian language used in the plays was explained and reinforced through fun games with prizes.

Yudi, our Balinese assistant teacher and Ms Elke Buhrich, who is one of our Indonesian teachers, inspired and directed the students with their wayang creations. I am absolutely impressed with what is happening here at Mullum High in the Indonesian language classrooms.

Sports Nutrition Workshop

During Week 8 with Mr Adam Culbert. They learnt about their nutritional needs as sportspeople and also were able to make their own sports drinks and juices. These students also participated in the strength training workshop with Mr Max Binkley.

Deadly Dancers take out Close the Gap Day

Last Wednesday our school was asked to attend the Byron Shire Council’s Close the Gap day. The event was held at the Mullumbimby Community Centre and was attended by many local service providers who represent and support the local Aboriginal community.

Mullumbimby High School had a table at the event and were also represented by the junior Deadly Dancers. Our amazing dancing students were led by Dhinawan and guided by Scott Sentance to once again do our school proud.

At the table, we distributed information pamphlets that boasted the many Aboriginal programs that our school offers.

We are grateful to be included in such an important local event and that our school is recognized as a significant contributor to Closing the Gap.

During the school terms, the Uniform Shop is currently open Mondays and Thursdays 8.30am to 9.15am. We are also happy to receive pre-loved school uniforms for resale. The more volunteers can help the more able we will be in keeping the shop open on both days!

Request for second hand uniforms
The school is in need of reasonable quality uniform items to boost our reduced supply of second-hand uniforms. In particular, we need boys black shorts in large sizes L, XL; senior boys white shirts; senior girls white shirts; junior boys blue polo shirts in large sizes; PE shirts in various sizes.

If you have any Mullum High clothing items, no longer in use and in good repair which you are prepared to donate, we would gratefully receive them.
